## :Clever and Quick on Our Feet in Federation"

Dear Club members and friends,

What a good meeting we had on March 4th. We started out the meeting with a DVD from Pat Yaekey on last years Cancer Relay at Granite Hills High School. Pat narrated the video because the pictures were set to music. The feedback I received after watching the video was wonderful. I think we all saw what a moving experience it is to participate, whether you are celebrating beating cancer or remembering someone that has lost their life to cancer. I don't think there was a dry eye in the room.

We then went on to do the white elephant fundraiser. Mary Gabaldon and Carole Cornwell always do such a great job at making it fun. At last count we earned \$97.50 for our club treasury.

Next month our meeting will be centered around our High Tea Party fundraiser. Please remember to bring all your donations of food to the meeting. Brenda will set up a sample table and go over all the details to make the next day a success.

Our next big fundraiser is a Bunco party on May 31, 2009, at the Lakeside Historical Church on Maine Street in Lakeside. Cheri Rose is the chairman for this fundraiser and has tickets for us all to sell. Please give her a call and help her sell the tickets @ 619 579-7848.

The Southern District 26 Convention is on April 18, 2009 at the Ronald Reagan Community Center in El Cajon. Tickets are \$25.00. Deadline for our treasurer Sylvia Sturges to mail in our reservations is April 1st I hope you all come to the convention. This is when we win our awards for all our hard work during the year. We will carpool at the Bostonia Recreation Center @ 8:15am for those that want to ride together.

Hugs to all of you,  
Linda

## Spiritual Values

So many women just don't know how great they really are.  
They come to us all vogue outside and vague on the inside.  
—Mary Kay Ash

## Prayers and Praises

Praise that Mary Gabaldon's son-in-law, Robert, is doing much better. Keep him in your prayers for a full recovery.

Carol Cornwell's son and family are settled in a rental until their home can be rebuilt. She thanked everyone for their prayers and financial help.
