:Clever and Quick on Our Feet in Federation"

Hello Ladies,

The holidays are just around the corner and this is my favorite time of the year. The leaves are turning colors and there's a briskness in the air.

We had a nice November meeting. The executive director of the American Diabetes Association came and spoke about diabetes. It was very informative. She left reading materials that I still have if anyone is interested in getting one.

You all were so generous in our food drive for the abused women that I received a personal phone call from the director Juli Finch. She said that they greatly appreciated our generosity and the ladies that are in the shelter on Thanksgiving will at least have a nice meal together.

The Southern District Fall Festival and meeting is on November 19, 2008 and I hope you all come. It is Chris Herzog's request that we all bring in gently used clothing for "My Sisters Closet". They help women dress for interviews and get them back into the workplace.

Also for the Fall Festival you may donate any crafts, homemade baked goods, rummage sale items to the fund raiser for the district. If you would just like to go and enjoy or spend your money come along with us and have fun. We will meet at the Bostonia Recreation Center at 8:30 am and carpool together.

Next month is Christmas and we voted to have a Club Christmas party. Those that want to participate in a \$10.00 gift exchange and bring a holiday dish to share I thought would be fun and rewarding for all your hard work this year.

Hugs to all of you,
Linda Cowle
