

Bostonia Woman's Club THE BUZZ

Dear

Volume 1 Issue 4

May, 2010

Friends,

The Taco Bar was a great success, thanks to all of you for your participation and Linda for a great idea. We are always looking forward to new ideas; please don't hesitate to bring up a concern, idea or new suggestions as they are always welcomed.

Andrea Holmburg gave an entertaining presentation about Seniors' help, support, and welfare which was informative. Thank you, Carole Sue for your great programs.

Please call Barbara Tharp if you have a suggestion for Summer bunch. Our meeting will be May 25th, so please give her a call prior to that date..

The months sure fly by, thank you all for your support, especially these last few weeks after my father's death. The rose bush is beautiful and will be planted as soon as my front "porch" is finished..

See you soon,
Cheri

SHARE AND CARE

Some of our members are still in need of prayers. Sometimes it takes longer to heal than what we want. Dorothy Bradley is still having a hard time getting around. Also Wini Briggs needs to know we are thinking of her. Mary Thompson needs prayers for strength as she is caring for her husband who is doing much better. (good nursing) Fran we also think of you and hope you are doing better. We miss you, and you are all in our hearts.

Praise to our Club for winning 10 awards at the Convention.

FUND RAISING

Mary Ann Evans did a wonderful job on the Cookie Lee project. We made around \$200 Thanks to all who purchased the jewelry.

Cheri's bracelet project is doing very well. Over 40 have been sold.

Mary Gabaldon, Lucinda Peck and Linda Cowle did a wonderful job on the tea. It was a beautiful day. Mary thanked everyone for their hard work and hours put into this project. Great success.

Education

Mickey Alford and Bertha Bobo did a terrific job organizing the book decorating group for the Bostonia School project. Mickey thanked all those who helped. They were—Nonie Beach, Carole Sue Mills, Barbara Lanphere, and Elinor Matthews. It was a very rewarding and fun project. The kids were just great.

Elaine Brack encouraged the club to gather poems or stories written by the club or students to be submitted to District. The winners would then go to state to be judged. There is more talent out there than we realize.

Congratulations Carole Sue for 50 years of service.
