“Moo-v-ing” Into The Future Through Federation

We had an enjoyable meeting and shorter than usual. I'll have to figure out what I did, it was nice to

To finish up early.

Camellia McRae Gower told us about Sharp Hospice Care and their Memory Bears and how special it is to receive one after losing a loved one. Let me know if any of you would like to be involved in the sewing of these special bears

The Center for Community Solutions “Bridging Hearts Holiday Program” contact person has given us the names and wishes of two families. There will be four pages added to the newsletter with this information.

We will let you know if we are adopting a family for Thanksgiving or giving to the Domestic Violence “dorm”. We have budgeted a \$50 gift card toward a meal and any extras that our members bring in.

We have busy times ahead with the holidays closing in. Take care of yourselves and put your feet up once in awhile!

Yours in Club,
Cheri

Spiritual Values

Pumpkins make very attractive natural vases for autumn bouquets. Scoop out the center as you would for a lantern and fill with a damp floral sponge cut to size. Arrange jewel-tone flowers, preserved leaves, and vines in the sponge for a long-lasting arrangement. Occasionally test the sponge to see if you need to add more water.

Happy Autumn.

FUND RAISING

Garage Sale brought in \$143.60. Thanks to all those who gave their time and monies to help with this project. Thank you Cheri for donating your patio for our display area.

The tickets for the 11-99 project are for sale—\$2 for one or 3 for \$5. Please get your packet of tickets to sell from Mary Gabaldon. Mary reported the tea plans are coming along well. The committee has added a new feature to the tea which will be a silent auction on the baskets that we will be putting together. There will be a variety of different basket themes, and if you have not signed up to help with one, please call Mary at 588-6866.

The District money-maker “trunk sale” didn’t bring in much revenue from our Club. We sold \$6 for them, but I hear some other clubs didn’t do that well. But, Cheri Rose and Barbara Lanphere were there bright and early to give it the old College Try.

State Awards

Membership also won a State Award.
