Mooo-ving" Into The Future Through Federation

PRESIDENT'S LETTER:

Dear Ladies,

I was sad to hear the loss of yet another Bostonia WC member. We lost our dear friend Wini Briggs, December 6, 2010. Our condolences to her family at this time.

Our December meeting went well. We accomplished everything we needed to do and provided a bounty of presents and goodies for the shelter and two families. I am impressed with the generosity of our members. Thank you all.

Merry Christmas and Happy New Year to all.

See you in January.

Cheri

Another reminder that dues are past due. Mail to Joan North, or bring them to the January meeting.

District is asking for us to save old watches for the American Mural Project. Deadline is April, so you have time to ask family and friends for their old watches. The Mural will me in a mill building in Winsted Connecticut..

Linus Project/Public Issues

Noni reported on "Angel Flight" which covers the Western area for children in distress. She has donated 25 blankets for the pilots to carry in the planes to have as warmth and comfort to give to the children as needed.

Our five projects to donate \$100 each are; The Pregnancy Care Center, The Linus Project, Hospice, St. Jude and the Salvation army. Our club should be very proud.

The street-cleaning has been put off until January. If you want to volunteer a day in January, call Robin Huff at 339-1133.

FUND RAISING

The tickets for the 11-99 project sold very well raising a total of \$824.00. Thank you MaryAnn for your hard work. One of our own member "Carol Sue Mills" won one of the beautiful baskets. Congratulations Carol Sue.

Mary Gabaldon shared some highlights of the tea meeting. There will be no background music, there will be ten tea cups given away, and we will be having the silent auction. Next meeting will be in January.

Education:

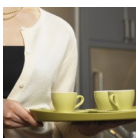

Thanks to all the women who worked at the school on the Jingle Bell project.
