Mooo-ving" Into The Future Through Federation

PRESIDENT'S LETTER:

Dear Ladies,

It was a pleasure to have Mary Gabaldon present the check to the Highway Patrol representatives for their 11-99 Foundation. It's nice to know our hard work and generosity goes to such a good cause.

Time is passing fast, the Festival of Arts is almost here and our Tea will be next. So don't be shy in signing up for Tea goodies. There will be a sign-up sheet in the near future.

Don't forget to bring your "White Elephant" items to the February meeting. It is always fun to "fight" over the goodies someone else brings in.

See you soon,

Cheri

UPCOMING EVENTS

January 21—Tea meeting, Mary G. 10:00 a.m.

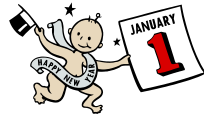

February 2, — Regular Meeting White Elephant

Spiritual Values

Your diamonds are not in far distant mountains, or in yonder seas:
They are in your own backyard, if you but dig for them.

— Russell H. Conwell —

Birthdays

Current Shelter needs

Rebecca Ryan — Feb. 6

Ashley reported that the families were very happy with the gifts and food we donated to them for Christmas.. We received two very nice letters of thanks from the families.

Keep bringing in the necessary foods and clothing. Don't forget the kids .

It is such an honor for Mary Gabaldon to present a check to the Highway Patrol representatives for their 11-99 Foundation

The street-cleaning this month goes to Cheri Rose, Becky Ryan, Mary Gabaldon and Robin Huff./. If you want to volunteer a day in February call Robin Huff at 339-1133.

FUND RAISING

A motion was made for the monies from the tea baskets at the silent Auction to be designated to go to the Battered Women's shelter. It was passed.

We had a nice surprise when the family of Wini Briggs donated \$1,000 to our Club. A very generous gift and much appreciated from the Club. Bless you Wini.

Carol Sue Mills asked the club for ideas for programs. If you have an idea, please call her at 442-7096

Gloria's Rest Home/Home Life:

Bertha reported that nine children, ten parents and teachers from Bostonia Elementary school sang for the ladies at Gloria's rest home. They also handed out candy canes and had a great time.

Woman's History:

Lucinda Peck read an article about Mary Anderson who invented the windshield wipers for our cars. She was having a hard time seeing and having to reach around to pull off the snow from the window and her mind started working. It takes a woman to get things done.

HOSTESSES

February hostesses are Joan North and Cheri Rose. Our Club will also be hostesses for the next District meeting on January 19, 2011.
