Mooo-ving” Into The Future Through Federation

PRESIDENT'S LETTER:

Dear Ladies,

We had another successful fundraiser, thanks to Mary Ann and all your support. We earned \$140.40 and we donated another \$43.46 for the “Feed the Pig” contest. Our money went to Bertha’s daughter-in-law which most likely put her classroom in the lead. She was thrilled to receive the donation.

We look forward to having a speaker from the San Diego Genealogical Society of our April meeting. Maybe it will spark your interest in finding out about your ancestors.

We should have both banners for the April meeting. I feel like it’s Christmas time.

See you soon,

Cheri

I've learned that if someone says something unkind about me, I must live so that no one will believe it.

Prayers to Mary Ann's sister, Pearl, and Mary Thompson to heal. We will keep Jan in prayer as she and her husband are traveling.

Gloria's Rest Home/Home Life:

Bertha Bobo and Tressie Alvernaz each shared their visit to Gloria's Rest Home with their grandchildren. Bertha had 6 parents and 9 students from Bostonia School giving valentines to each of the Ladies. They both said how the women there love to talk to the children. We appreciate Bertha and Tressie for their time and love they give to Gloria's.

Education:

Mickey Alford gave her report on the art work from Bostonia elementary School that was submitted to the Art Festival. 20 Children participated in this, sadly, we didn't have any ribbons, but all were winners. Each child is given a certificate for their picture, and Mickey would like to have presentations given with parents included as she believes the students need more recognition for their participation.
