

Spiritual Values

Whoever thinks that she is helping to keep God's work going on the earth cannot help but believe that God will help her..

— Charles Fillmore

Prayers

Everyone seems to be doing fairly well. Brenda Gill has bronchitis at this time, so we hope she is feeling better.

The families near Mt. Soledad need prayers as many are losing their homes.

Our Tea

Brenda is on top of the tea committee and has the tables complete. We sent the battered women some dishes that were extras and not needed. The next meeting will be at Brenda's home on October 18, at 12:00. We are in need of hats, flowers, and boas. If you have any please bring to the tea meeting.

The tea date is April 10, 2008.

Barbara

"I don't exercise. If God wanted me to bend over, He would have put diamonds on the floor."
—Joan Rivers

Flu Shots

If you will be needing a flu shot, the Salvation Army will be giving them on November 9-11 for \$2.
